September 1, 2016

WASHINGTON-The United States Mint will begin accepting orders for the 2016 Standing Liberty Quarter Centennial Gold Coin (*product code 16XC*) on September 8 at noon Eastern Time (ET).

The Standing Liberty Centennial Gold Coin is the second of three 24-karat gold coins the United States Mint is issuing this year to commemorate the 100th anniversary of three iconic coin designs that were first issued in 1916. Its obverse (heads) design depicts Liberty holding a shield and an olive branch as she steps through an opening in a wall bearing 13 stars. Its reverse (tails) design depicts an eagle in flight flanked by 13 stars. Additional inscriptions to the originals will include “AU,” “24K,” and “1/4 OZ.” Both the obverse and reverse are by sculptor Hermon A. MacNeil.

Pricing for the Standing Liberty Centennial Gold Coin will be based on the United States Mint’s pricing schedule for products containing gold. These products are priced according to the range in which they appear on the United States Mint Gold Coin Pricing Grid.
